Cost Effective Marketing

Whether yours is a new or already established business or medical practice in the Acadiana trade area, N2U Marketing can help grow your business using a combination of proven techniques, including cold calling, meeting planning and coordination, community networking, promotional activities, advertising, trade show and special event representation.

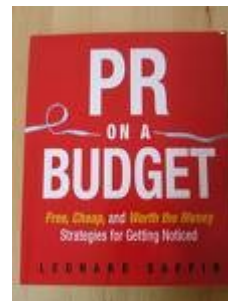

Getting Started:

In the initial consultation we will uncover current marketing needs and any weakness in the current strategy. Business plan dream will be reviewed and original vision will be set in motion. Obtaining wanted target market demographic and maintaining relationships with current referral sources. Looking at what works and the 5 year growth plan.

Where is my business going? Is it going in the right direction ?

A wide variety of services are offered with **N2U Marketing**. The main goal is to fit in where the business owner is unable to, from networking to "pounding the pavement". Assuring the right people know you, your location & all things necessary to make your business thrive to full potential!
